A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Fusion: 2020 Marketing? Everything You Need To Know I discovered Fusion Marketing as a result of constantly being asked in interviews "So, what comes after social media?" I would think to myself, "Social media has change the way the world markets, sells, and communicates forever. And, it has caused us to change at speeds we have never seen before with technology" and you want to know what's next? I decided to take that question on as a personal challenge. I asked myself, "Where will marketing and sales organizations be in say, five years? How will we be treating traditional, digital, and social media marketing? That's when I realized that Traditional Marketing + Digital Marketing* + Social Media Marketing = Fusion Marketing! I realized that even now, if you are calling yourself a "Social Media Expert" then you're announcing to the world that you have been left behind. If you're an expert in Facebook and Twitter, then you're trying to build an entire marketing strategy restricted to using only one or two tools from all of the marketing tools available today. And, the reason we aren't seeing the ROI from social media is, Facebook is not a strategy. Twitter is not a strategy. LinkedIn is not a strategy. They are only tools. We'll get to what is a strategy later.
