Designuitive, United States, 2015. Hardback. Condition: New. Language: English. Brand new Book. InDesign CC Creative Classroom is the perfect way to get started with Adobe InDesign. This book's practical, hands on exercises will get you creating posters, flyers, adverts, postcards and leaflets in no time, whether from scratch or using an existing template. Along the way you'll learn some key contextual knowledge, such as how InDesign works alongside Illustrator and Photoshop, design terms such as tracking and leading, and print terminology such as bleeds and resolution. Instead of merely learning about InDesign you'll learn to you'll learn to design with it, and how once you've created something, how to prepare it for print. This unique book will give you the skills, understanding and confidence to produce your own documents using Adobe InDesign. It's written for Adobe CC, but the book is still relevant for any version from CS4 onwards. You will have access to all the photographs, images and text used in the book via a download link.
